

MATHEMATICS (BA + BS)

Recommended Courses for Majors Planning to Transfer to VWU

Students planning to transfer to Virginia Wesleyan University from anywhere within the Virginia Community College System (VCCS) should complete the following courses:

Red courses are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. Courses in **blue** are encouraged—there are no additional credits earned by taking additional courses in these areas.

Students who complete an Associate of Arts or Associate of Science degree with satisfactory grades at a VCCS general education program except for the junior/senior seminar (WES 300).

MATHEMATICS (BA + BS)

VWU COURSE	VCCS EQUIVALENT
	Calculus I
MATH 172: Calculus II	Calculus II
MATH 173: Multivariable Calculus	Calculus III
MATH 217: Linear Algebra	Linear Algebra
MATH 218: Differential Equations	Differential Equations
MATH 210: Introductory Statistics	

Students who complete an Associate of Arts or Associate of Science degree with satisfactory grades at a VCCS general education program except for the junior/senior seminar (WES 300).

major requirements include prerequisites for which a grade of "C" or better must be earned.
